

EXPECT ATTACK ON U. S. LINES AT ANY MOMENT

Carranza Soldiers on Way
for Battle as Sinaloa
Defies America.

ORDER ARREST OF U. S. CITIZENS

One Soldier Is Wounded
and Two Are Taken
Prisoners in Clash.

SAN ANTONIO, June 19.—Mexican government troops were reported tonight to be marching towards Del Rio, a border town about one hundred miles up the Rio Grande from Eagle Pass, with the announced intention of attacking the Americans there. This information was the most notable bit of evidence indicating the attitude of the de facto government that reached General Funston today. It was brought to the border by a Mexican who said the force was 1,500 strong. According to his report the Mexican troops said they intended to attack the Americans tonight or tomorrow night. It was estimated that late today they were about forty miles south of Del Rio.

Americans Ready.
Colonel Frederick W. Sibley of the Fourteenth cavalry, who commanded the expedition that entered Mexico after the Glenn Springs raid, is in command at Del Rio. It was believed here that he was prepared to take care of his position, but to make his position more certain General Greene sent from Eagle Pass on motor trucks a battalion of the Third infantry. The battalion should arrive at Del Rio before morning.

The Mexican force reported moving north is believed to be the same force sent north by the governor of Coahuila, Gustavo Mireles Espinosa, with instructions to drive Colonel Sibley's force from Mexico when he was operating south of Glenn Springs.

Deliver Ultimatum.

SAN DIEGO, June 19.—An ultimatum amounting practically to a declaration of war against the United States was served Sunday on Commander Arthur G. Kavanaugh of the gunboat Annapolis by General Flores, Carranza governor of the state of Sinaloa, according to a radiogram sent from the Annapolis at Mazatlan and

received here today by Admiral Winslow, commander-in-chief of the Pacific fleet.

Owing to the lower powered radio set of the Annapolis, difficulty was experienced in communicating with the gunboat but enough facts have come through to indicate that General Flores has taken a hostile stand against Americans and that it was his refusal to permit Americans to leave Mazatlan that resulted in the clash Sunday between blue-jackets of the Annapolis and Mexican soldiers. The exact substance of his ultimatum has not yet been received.

Fired Without Warning.
According to the reports received, the commander of the Annapolis advised all Americans in the vicinity of Mazatlan to leave as soon as possible. A boat from the war vessel containing Ensign O. C. Kessing, Paymaster Andrew Mowat and a number of blue-jackets approached the wharf. Kessing being under orders from Commander Kavanaugh to arrange to leave with the Mexican authorities to get out all Americans.

Without provocation it is reported the Mexicans opened fire on the sailors and boatswains Mate L. M. Laughlin was seriously wounded. The Americans returned the fire and so far as known six Mexicans were either killed or wounded.

Earlier reports that a drunken Japanese started the trouble are not borne out in reports received here. Ensign Kessing and Paymaster Mowat were taken prisoners and sent to the fortress, but later were released on demands presented to Flores by Commander Kavanaugh.

MANY ARRESTS ON DIMMER INAUGURAL

Automobilists Running Cars
With Dazzling Lights
Are Nabbed.

The "dimmer" ordinance is being

enforced last night the traffic squad, under the leadership of Sergeant James Pilkington, began picking out and arresting violators of section 6 or ordinance 123, prohibiting the operation of automobiles with brilliant headlights, and within four hours more than a score of arrests were made.

Those who fell into the hands of the traffic officers for violation of the "dimmer" ordinance were taken to the police station, where they were required to place up a "first offenders" bond of \$2 with Sergeant Tom Howard for their appearance in police court Wednesday morning.

Among those arrested were some of the most prominent business men and society women of the city, the officers making no exception for class or wealth, and all were required to make the same appearance bond.

The list of violators included bankers, lawyers and doctors. Some were very much when brought to the station, others resented the activities of the officers in enforcing the new traffic ordinance and proceeded to "bawl out" the arresting officers, who laughingly left the station to bring in the next roundup of violators of the "dimmer" law. Among those who failed to provide themselves with dimmers for their cars and were taken to the police station early in the evening were Arthur Newlin, a banker; S. Turk, shoe merchant; J. W. Hoeker, an oil man; Doctors Brodin and Mangum, E. E. Christopher, F. J. Bradford, D. R. Smith, W. A. Reynolds, W. L. Kistler, Will Wright and E. Barber.

Ready for Summer.

"Why did you get such a tremendous refrigerator?"

I wanted one that would hold a watermelon occasionally without putting anything else on the floor."

POLICE RUMPUS IS IN THE LIMELIGHT

Arrest of Former Detective
on Vagrancy Charge
Starts Things.

PROBE TALKED OF

Spite Work on Part of Pres-
ent Officers Alleged;
Chiefs Active.

A rumpus in the police department broke Monday morning, or rather Sunday evening when Joe DelBeccaro, a former member of the Tulsa force, and said to have been one of the most efficient officers ever employed by the department, was arrested by motorcycle officers Nichols and Hiney and held at the city jail until a cash bond of \$25 was placed with the sergeant after a charge of violating section one of ordinance 719 had been made against him.

The ordinance has reference to men or women who have no visible means of support, and who are frequenters of prohibited places. DelBeccaro is at present and for some time past has been engaged in oil operations, is a married man, and is said to have a neat bank account.

His arrest, caused much discussion, not only at the station, but in the city hall and among the oil men and drillers of the city, who rushed to the station when it was learned one of the fraternity had been placed under arrest for violation of an ordinance aimed simply at prostitutes, beggars, panhandlers, and lake fortune tellers. Some would not believe that DelBeccaro had been arrested until he indicated his name on the blotter and the charge which had been made against him.

To Probe Charges

When Commissioner Funk and Chief of Police Lucas heard of the arrest, through a score of friends of DelBeccaro, they announced that the charges of spite work which had been made would be investigated and that should the evidence and information found warrant, there would be some vacancies in the department. Officer Hiney is a traffic officer who has over from the last Democratic administration. It is said that he was not the instigator of the charge made against the ex-police man, "Red" Nichols, recently appointed to the traffic department.

At the opening of the municipal court yesterday morning it was announced that the case had gone over and would be tried Thursday morning. In the meantime the chief and Commissioner Funk will make an investigation of the cause of the arrest. It is possible that some of the evidence they procure will be introduced in the trial.

SAY TEDDY COMING AROUND FOR HUGHES

Senator Cabot Lodge Gives Out Tid-
ings After Conference With
Roosevelt.

OYSTER BAY, June 20.—After a conference here tonight with Theodore Roosevelt, United States Senator Henry Cabot Lodge of Massachusetts declared that he believed the former president would support Charles E. Hughes in the forthcoming campaign for governor of New York. "I found Colonel Roosevelt looking much better than I had expected," said Senator Lodge. "Of course we discussed Mr. Hughes but very little of Mexico."

"Will he be the colonel support Mr. Hughes?" he was asked.

"That is my impression," replied Senator Lodge.

Significance was attached to Senator Lodge's visit as it was said he conferred earlier in the day in New York with Mr. Hughes and W. Murray Crane.

CONTRABAND CASE DECIDED BY COURT

Seizure of Cash Register in Liquor
Raid Results in Weighty
Decision.

A decision practically settling the question of furniture fixtures, appurtenances, etc., seized in raids made for intoxicating liquors, has just been handed down by Judge Rittenhouse of the supreme court commission, division No. 3, in which the court says: "Under section 10, chapter 70, Session Laws 1916-17, the sworn complaint upon which a search warrant is issued in prima facie evidence of the contraband character of the property seized, and the burden is upon the plaintiff to show his property right and interest in the thing seized, and that same was not used in violation of law or were not in any manner kept or possessed with intent to violate the law."

This was a case in which the sheriff of Tulsa county seized a cash register in a raid made on the Diamond drug store, and at the hearing the National Cash Register company intervened, claiming the property. Judge Ramsey held that the property in question was contraband and subject to seizure, and the matter was appealed to the supreme court. On account of the press of business in the attorney general's office the case was sent to the office of County Attorney J. P. Evers to be briefed. Mr. Evers and Mr. Warren briefed the case at once and presented same to the court less than three weeks ago, the court losing no time in passing upon the matter.

It is the opinion of County Attorney Evers that this decision will be of the greatest importance in future seizures and in assisting to enforce prohibitory laws and the decision will apply to automobiles, boats and wagons used for the purpose of conveying liquor.

SCHOOL BOARD LETS LAST OF CONTRACTS

Three Retiring Members
Give Away Last Plumb-
Heating Contract.

At the last session of the old regime

of school board Monday night, the contract for heating and ventilation in the new high school building was awarded to the Cook-McDonnell Heating company of Oklahoma City. The bid was accepted subject to a favorable decision by the supreme court which will enable the board to sell part of the present high school site and thus secure funds to cover the cost of the new building.

J. R. League, A. A. Bumgarner and O. H. P. McDowell served their last night as members of the school board as a meeting will be held tonight for the election of new members. Dr. J. M. Temple, N. W. Mayginnis and H. M. Welch, to take their seats. Two of the retiring members were present last night. League being absent from the school board. The successful bidder asked a total of \$73,714 for the heating and plumbing equipment in the new high school and \$54,558 with all eliminations named by the specifications. The board disapproved this bid because of an addendum which stated that the bid was based upon the use of steel pipe instead of wrought iron and Vento radiation. Members of the board say that this departure from the specifications could not be tolerated and that the difference in cost of the two systems enabled the McMahon people to make the lower bid.

Filled Several Contracts.

The Cook-McDonnell company has filled several contracts for the present school board.

The board did not state what eliminations would be made, this matter being put off until a later date, but it is thought the cost would be reduced to \$60,000.

Following are the other bids submitted with total and total with eliminations: Wall Plumbing company of Tulsa \$74,490; \$57,850; City Heating company of Kansas City \$70,000; \$53,340; O'Connor Heating company of Muskogee \$74,900; \$57,700; A. Holtman Heating company of Kansas City \$73,850; \$53,210; Older Heating company of McAlester \$81,500; \$62,264.

SIXTEEN-YEAR-OLD KILLS BOY OF 12

Assault Escapes; Occurred Satur-
day; Victim Died Sunday;
Inquest Held.

Denver Lee, aged 12, of Bruner station was shot through the neck Saturday afternoon by Ira T. Whitley, aged 16, and died of the wound Sunday noon. At an inquest held in the court of Justice Lee Daniel Monday a coroner's jury found that the boy had been murdered. Whitley escaped and has not been found.

"Whitley told Denver he was going to blow his head off because he told my father he had heard him swear," said Virgil Lee, a brother of the murdered boy, when he took the witness stand at the inquest.

Whitley had been working for the Lees for several days, and told them that his home was in New Jersey and that he was an orphan. The two Lee boys had planned to go for hunting with Whitley Saturday afternoon, according to the story told by Virgil Lee, and had gone to their grand-mother's home to procure some cartridges for the small .22-caliber rifle which was owned by the Whitley boy.

Virgil said he had stepped into the house when he heard two shots and ran out to see his brother writing on the ground with a bullet in his neck. The bullet cut the windpipe and although everything was done to save the wounded boy, he died after lingering until 12 o'clock Sunday afternoon.

Whitley escaped and Sheriff Woolley is making every effort to apprehend him.

Sudden Justice.

Special to The World.
MALESTER, June 20.—A. D. Williams, negro, was locked in the state penitentiary this morning for a crime committed Tuesday. He was captured within three hours after stealing a horse and buggy, pleaded guilty before District Judge R. W. Higgins Friday and was sent to this morning for a term of five years.

Your Palm Beach Suit

—Get It Here

—Get It Now

We're showing a fine line of Palm Beach, Mohair, Linen, Silk and Flannel Suits; Cool Cloths, too, and Tropical Wore—great values at \$10, \$12.50, \$15 and up.

These suits are entirely different from the ordinary run of summer clothes—Brown & Blazer Summer Suits are made and tailored like real clothes. That may sound queer—but the fact is that most-so-called "Palm Beaches" are hastily sewn together by girls, in shirt and overall factories.

Naturally they don't compare—especially after being laundered—with these, hand-tailored by men experts, as they are, just like the best of woolen suits.

Tailored in New York by Alfred Benjamin & Co. and Schloss Bros. & Co.

ARREST POLITICAL ENEMY OF DEAD MAN

WARRANT ISSUED FOR CHAS. M.
NAILS IN PROBE OF MURDER
OF JUDGE LAWLER.

Special Grand Jury Investigates. Vic-
tim Was Found in Tennessee
River.

HUNTSVILLE, Ala., June 20.—

While a special grand jury continued investigation here late today of the murder of Probate Judge W. T. Lawler, a warrant was issued for the arrest of Charles M. Nails, clerk of the Madison county circuit court and known as a close friend to H. D. Overton, Lawler's unsuccessful opponent in the recent primary here. According to county officials, neither Nails nor Overton, for whom officials said a warrant also had been issued, could be found, and Sheriff Phillips issued a statement replying to criticism of his office because Overton had not been arrested. The sheriff asserted that every effort was being made to place Overton and Nails under arrest. He added that he expected other persons to be arrested tomorrow.

Judge Lawler, who had been involved in a warm political fight in which Overton, Nails and others opposed him, disappeared last Wednesday night. It was said he went to the courthouse to meet a "political foe." On Saturday his body was found floating down in a slough of the Tennessee river near here. The grand jury investigation superseded the coroner's inquiry, which it was announced, had been indefinitely adjourned. It was said that "important evidence" had been placed before the grand jury.

EAST SIDERS IN A ROUSING MEETING

Will Ask Commission for Opening of
Street; Want More Lights,
Too.

A reorganization of the East Side Improvement association was effected at a meeting held last night at the Washington schoolhouse when W. M. Suttast was elected permanent chairman. The membership of the association is now larger than it has been at any time during the five years it has been in existence. The addition of 19 new members brings the membership up close to the seventy-five mark. A petition was prepared last night to be presented to the city commissioners at their meeting this morning asking that Second street be opened up from Madison street to the old asphalt plant, a distance of two blocks.

The next step the association will take is to ask for better lighting facilities for the east side.

HIT BY PITCHED BALL; DIES

Johnny Dodge, Mobile Thirdbaseman,
Meets Death on the Diamond.

MOBILE, Ala., June 20.—Johnny Dodge, third baseman of the Mobile Southern association team, died tonight as the result of injuries received when he was struck in the face with a pitched ball during the Mobile-Nashville game Sunday. He was hit while at bat in the seventh inning with Rogers pitching for Nashville. He died from concussion of the brain. The Memphis-Mobile game scheduled for tomorrow has been cancelled out of respect for Dodge.

MAN FROM MISSOURI

Had To Be "Shown" and Was.

In telling his many friends of the wonderful results obtained from the use of four bottles of the wonderful remedy "Hays' Specific" for run down systems that is now being sold by one of our wide awake druggists, Mr. John H. Hays, of St. Louis, Mo., said: "I was down with stomach trouble for about four years and many doctors said I could not be cured. I took four bottles of 'Hays' Specific' and am now feeling every day. I feel that I am cured and am a well man. I can truly recommend 'Hays' Specific' to any one suffering from stomach trouble."

"Hays' Specific" is guaranteed to be the greatest system tonic now known and is for sale by The Hays Store, Roy R. Getman, Prop.—adv.

HOW TO REDUCE YOUR WEIGHT

A SIMPLE, SAFE, RELIABLE WAY.

People who are overburdened with superfluous fat, know only too well the discomfort and ridicule that over-stops the beauty of their figure.

If you are carrying around five or ten pounds of unbecoming fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or strenuous exercise, here is a test worth trying. Spend as much time as you can in the open air, breathe deeply and get from Keadall drug store a box of oil of kure capsules; take one after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave off treatment until you are a single size under your present weight.

Oil of kure is absolutely harmless, is pleasant to take, and helps the stomach. A few days' treatment has been reported to show a noticeable reduction in weight, footprints become flatter, your work seems easier and lighter and more buoyant feeling takes possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial.—Adv.

TODAY'S BEAUTY HELP

You can keep your hair at its very best by taking it with the simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff and dirt and leaves a clean, wholesome feeling. Just use a teaspoonful of cantharox dissolved in a cup of hot water, afterwards rinsing thoroughly with clean water. One finds that the hair dries quickly and evenly, is unstreaked, bright, soft and fluffy, so fluffy in fact that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. All scalp irritation will disappear and the hair will be brighter than ever before.—Adv.
